RE: Schlegel - Keokuk Facility, Closure Activities  
EPA I.D. No. IAD005136023

Dear Mr. Lininger:

Pursuant to the requirements set forth in Mr. Michael J. Sanderson's Letter of Warning dated August 20, 1991, we are hereby providing written notice that closure activities will be conducted at the above-referenced facility on Friday, October 11, 1991. The closure activities will be conducted as outlined in my letter of September 12, 1991, and will be consistent with the revised closure plan submitted to you on March 6, 1991. Please feel free to contact me if you require additional information.

Sincerely,

ENVIRONMENTAL SCIENCE & ENGINEERING, INC.
